

Third Grade Summer Reading List 2019

Summer reading is the perfect opportunity to exercise the brain and reinforce fluency to prepare for the upcoming school year while instilling a love for reading. Please select at least two of the novels below to read this summer. After reading, you will choose one novel to complete the attached project to bring back to school on the first day. We will work in literacy groups to share our favorites and all the details about them. If you would like to choose a book above your reading level, please feel free to follow along on audio. Audio books open up a world of adventure and will still boost your literacy skills. We encourage you to read at least 15 minutes each day so you are ready for 3rd grade! We look forward to a terrific year!
